

Harold Pieroway, Director of Account Services

Hal Pieroway is a specialist with experience in the design and development of products across a wide range of disciplines. Hal has trained over 120 patent illustrators and supervised more than 10,000 patent illustration projects over the past 8 years with Legal Advantage. His practice as lead designer in several manufacturing companies gives him a strong grasp of the intricate and complex subject matter found in modern technology projects. He has worked on award-winning mechanical design projects for an ISO-certified company in the fiber-optic manufacturing field among other areas of high-tech sectors. As both product designer and project manager, he has acquired a solid familiarity with the whole gamut of manufacturing processes used in our rapidly evolving technological society.

Hal graduated from Carleton University with a degree in Industrial Design.
